

Aramaic Peshitta New Testament Translation

This is a translation (8th edition-2013) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in a literal English prose translation of The Peshitta New Testament. A translation of the Psalms & Proverbs from the ancient Peshitta OT Version is included at the end. Aramaic was the language of the Jews in Israel, the Middle East and in Europe from the 6th century BC and afterward until the Muslim conquests of the 7th century AD. This translation is derived from the author's Aramaic-English Interlinear New Testament and The Psalms & Proverbs interlinear. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 389 pages 8 x 11" paperback in Large Print.

"The text used in this translation as the base text is taken from The Syriac New Testament and Psalms, published by the United Bible Societies"--Introd.

This is a softbound, easy to use, edition.

A practical and easy-to-understand guide to the logical structure of both Hebrew and Greek. Ideal for biblical language students.

The Aramaic Peshitta Old Testament (The Former Prophets and The Holy Writings) Joshua to Esther (12 historical books) is translated from the world's oldest complete Semitic Bible - Codex Ambrosianus (6th century AD. The Peshitta Old Testament Bible is written in Aramaic and was translated from early Hebrew manuscripts in the 1st century A.D., before the Massoretic Hebrew text edition became the standard. The Massoretic edition is that used today in Jewish synagogues and temples worldwide and is the text translated to produce most Bible translations of the Old Testament. The Peshitta's Aramaic (Aramaic is a sister Semitic language to Hebrew) gives us a clear look at what the Hebrew Bible text was before the corrupt Scribes of Jesus' time and earlier had altered many of its readings for theological and political reasons. This is English only. 6x9" hardback; 308 pages with notes.

Includes parallel translations from the King James, James Murdock, and Janet. Magiera versions of the New Testament.

This is an interlinear translation (6th edition without notes) of The Aramaic Peshitta New Testament. Aramaic was the language of Jesus & had been the language of Israel from the 7th century BC. The Peshitta NT is the original New Testament text, as the author demonstrates in other editions with 200 pages of

All previous Biblical Hebrew lexicons have provided a modern western definition and perspective to Hebrew roots and words. This prevents the reader of the Bible from seeing the ancient authors' original intent of the passages. This is the first Biblical Hebrew lexicon that defines each Hebrew word within its original Ancient Hebrew cultural meaning. One of the major differences between the Modern Western mind and the Ancient Hebrew's is that their mind related all words and their meanings to a concrete concept. For instance, the Hebrew word "chai" is normally translated as "life", a western abstract meaning, but the original Hebrew concrete meaning of this word is the "stomach". In the Ancient Hebrew mind, a full stomach is a sign of a full "life". The Hebrew language is a root system oriented language and the lexicon is divided into sections reflecting this root system. Each word of the Hebrew Bible is grouped within its roots and is defined according to its original ancient cultural meaning. Also included in each word entry are its alternative spellings, King James translations of the word and Strong's number. Indexes are included to assist with finding a word within the

This handsome new edition of the authoritative English translation of the Aramaic (Syriac) Old and New Testaments--the language of Jesus--clarifies difficult passages and offers fresh insight on the Bible's message.

The Peshitta is the Syriac translation of the Old Testament made on the basis of the Hebrew text during the second century CE. Much like the Greek translations of the Old Testament, this document is an important source for our knowledge of the text of the Old Testament. Its language is also of great interest to linguists. Moreover, as Bible of the Syriac Churches it is used in sermons, commentaries, poetry, prayers, and hymns. Many terms specific to the spirituality of the Syriac Churches have their origins in this ancient and reliable version of the Old Testament. The present edition, published by the Peshitta Institute in Leiden on behalf of the International Organization for the Study of the Old Testament, is the first scholarly one of this text. It presents the evidence of all known ancient manuscripts and gives full introductions to the individual books. This volume contains Job.

Since the second edition of this book appeared in 1954, two major discoveries in the field of Aramaic studies—the Qumran texts and the Neofiti Targum—have been made available to scholars. These, along with some important publications on the subject, have made this third edition necessary. The book has been completely revised and reset and the supplementary notes of the second edition incorporated in the text; a new chapter has been added to take account of the implications of the new discoveries for previous views about the language of Jesus. Those parts of the book dealing with Acts have been revised and supplemented in the light of Dr. Max Wilcox's important book on the Semitisms of Acts; and an Appendix by Dr. Geza Vermes, Reader in Jewish Studies in Oxford, has been added containing fresh evidence for the use of the expression "son of man" in Palestinian Aramaic.

This is The New Testament in the language of Jesus and his countrymen of 1st century Israel, with a word for word translation into English next to each Aramaic word. The Vertical Interlinear for the Aramaic Peshitta New Testament in 3 volumes is composed in a non-traditional vertical layout. The English translation of the verse is written out directly above the list of individual words and corresponds to the translation from the Aramaic Peshitta New Testament Translation. To the left of each individual English word or phrase is the corresponding Syriac word and the Dictionary Number used by all of the Light of the Word Ministry publications.

An introduction to the Syrian version of the Old Testament examining historical and philological origins.

Light of the Word Ministry has designed a new numbering system for the lexemes (main word forms) of the Aramaic Peshitta New Testament. This system has been arranged by root order and includes the words related to this root in a "family" group. The root dictionary number is printed in Arial bold italic type and the words related to this root and printed in Arial type. The purpose of the numbering system is to facilitate

ease in learning how to study the Aramaic New Testament. Each word has its own Dictionary number and can be studied using the number (similar to the Strong's numbering system). It is designed to be used with the Vertical Interlinear and Parallel Translations as part of a set of study tools. It is further augmented by an English glossary.

Aramaic Peshitta New Testament Translation is a new translation of the New Testament into English that is based on the Gwilliam text. This translation includes explanatory footnotes marking variant readings from the Old Syriac, Eastern text, and other Peshitta manuscripts. Other footnotes provide cultural understanding and a system of abbreviations that mark idioms and figures of speech so that they are easily recognisable. The translation is as literal as possible, but with readable English, giving the flavour and rhythm of Eastern language. Aramaic is the language of the first century and the Peshitta is the earliest complete manuscript of the New Testament. The Gwilliam text, from which this work is based, is a Latin translation of the Peshitta. This is a literal word for word interlinear translation of the 1900+ year old Aramaic Old Testament called the Peshitta. Aramaic was the native language of Jesus and of Israel in the 1st century AD. This volume contains the Minor Prophets: Hosea through Malachi (the last 12 books of the Old testament). The text translated is the 6th or 7th century Codex Ambrosianus- the oldest complete Semitic Old Testament extant. The Peshitta Old Testament was very likely translated from the Hebrew Bible in the 1st century AD in
