The Western Sephardic communities came into being as a result of confessional migration. However, in contrast to the other European confessional communities, the Sephardic Jews in Western Europe came to Judaism after a separation of generations from the religion of their ancestors. The contributions in this volume detail those transformations in the Early Modern Western Sephardic communities.

"[A] beautiful book of hope and inspiration . . . Pope Francis speaks frankly about problems facing the young and the elderly, Catholic and non-Catholic."—Publishers Weekly (starred review) Pope Francis examines the role of millennials in the future of the Catholic Church in this urgent call to believers of all generations to work together to build a better world. Since his election in 2013, Pope Francis has reinvigorated the Catholic Church and become one of the most popular global leaders. Now, in this extraordinary interview with journalist Thomas Leoncini, His Holiness reminds Catholics of all ages that "God is young; He is always new." God has energy, spontaneity, and the desire for change—youthful qualities that can be rallied to fight the many problems facing the Catholic Church and the world at large. In this inspiring volume, published in English for the first time, Pope Francis's solution to these challenges is simple: a "revolution of tenderness" that unites believers of all ages in a mission to remake the world. "God is young! God is the Eternal One who has no time, but is able to renew and rejuvenate Himself and all things continually. The most distinctive attributes of the young are also His. He is young because He makes all things new and loves innovation; because He astonishes and loves astonishment; because He dreams and wants us to dream."—Pope Francis Praise for God Is Young "Enlightening . . . The interview is extremely wide-ranging. [Pope Francis's] answers contemplate not only philosophy but such quotidian things as plastic surgery, pets, cell phones, consumerism, and more. The pope's answers are generous in their length, some being even mini homilies. But all are thoughtful and thought-provoking, of interest and benefit to readers of all ages."—Booklist (starred review)

From international bestselling author Cristina Caboni comes an exquisite and engrossing novel of two women, centuries apart, bound by a love of books and a longing for self-discovery. With her delicate touch, Sofia Bauer restores books to their original splendor. In this art she finds refuge from her crumbling marriage and the feeling that her once-vibrant life is slipping away. Then an antique German edition takes her breath away. Slipped covertly into the endpapers is an intriguing missive, the first part of a secret...from one bookbinder to another. Two hundred years ago, Clarice von Harmel defied the constraints of family and society to engage in a profession forbidden to women. Within

three separate volumes, Clarice bound her own hidden story filled with pain, longing, and love beyond all reason. A confession that now crosses centuries to touch the heart of a stranger. With the help of book collector Tomaso Leoni, Sofia connects the threads of Clarice's past, page by page, line by line, town by town. She's determined to make Clarice's voice heard. With each new revelation, Clarice is giving Sofia the courage to find her own voice and hope for the future she thought was lost.

Born in a small village just outside of Salerno, Southern Italy, in 1980, he has produced an impressive range of publications, including essays, poetry, fiction, autobiography, and drama. His is a poetry concerned with powerful imagery, the physicality and vulnerability of the body, the meaning of objects, the interpretation of memories, and the philosophical importance of identity. For the first time, the rich colours and textures of Lerro's verse are available in English. This volume presents the power of the poet's voice in all its aching magnificence and demonstrates how it represents the sounds and rhythms of a new generation.

*** 55% discount for bookstores! Now at \$28,95 instead \$38,95 *** Do you want to start practicing magic spells to improve your life condition? Not sure how to begin? Then keep on reading Wiccan Spells... Your customers will never stop using this amazing book! Wicca, despite not being restricted only to witchcraft, is still known for its ambition to work within the natural order to create change, to improve life, and to impact the Universe through magic. Wiccan Magick, however, is different to the kind of magic you have seen in movies and read about in books. Other than the addition of a 'k', the most notable difference is that the magic of real

life, the kind of magic that practitioners of Wicca attempt to use, does not spark and flare, it does not explode nor does the tip of their wands or flesh of their palms sparkle with a bright white, orange, or yellow glow. Wiccan Magick is not supernatural by any means, unlike the magic you have heard of. It is entirely natural. Part of the natural order of the universe. And, it operates at a level that is difficult to perceive at times, but which can be seen all around you when you are attuned to the order within the world. Within this book, we will go over some of the more important rituals as well as some of the most useful spells within Wicca, but by no means will we be covering the entire spell book. In fact, no one could because new spells are being created every day. As we discussed before, Wicca is a very personalized religion and so is the process of casting spells. The exact wordage used in this book can be adopted, but the most powerful spells are those that are created by you, with your own words. Only you know what is most powerful to you and it is by harnessing your own inner power that the Magick is able to work. There are several important tools and certain knowledge that you will need to put the spells listed below to good use. Do not worry, we'll cover it all in the book. When you are finished with this book, you will know what you have to do to get started casting these spells and taking part in these rituals... This guide will focus on the following: The Correct Way to Perform Rituals Spellcraft - How Real Witches Cast Spells Rule of 3 and Wiccan Code of Conduct Herb and Candle Spell Healing Love Spell Money Attraction Spell Spells for Each Phase of The Lunar Cycle (Step by Step) Even if you've never cast a spell before, you will learn to cast the most powerful one, for any purpose to be attuned to the world and to fill in your own book of shadows. Now, if you want mastering witch spells, please let me show you how. Buy it NOW and let your customers become addicted to this incredible book

In *Socialism of Fools*, Michele Battini focuses on the critical moment during the Enlightenment in which anti-Jewish stereotypes morphed into a sophisticated, modern social anti-Semitism. He recovers the potent anti-Jewish, anticapitalist propaganda that cemented the idea of a Jewish conspiracy in the European mind and connects it to the atrocities that characterized the Jewish experience in the nineteenth and twentieth centuries. Beginning in the eighteenth century, counter-Enlightenment intellectuals and intransigent Catholic writers singled out Jews for conspiring to exploit self-sustaining markets and the liberal state. These ideas spread among socialist and labor movements in the nineteenth century and intensified during the Long Depression of the 1870s. Anti-Jewish anticapitalism then migrated to the Habsburg Empire with the Christian Social Party; to Germany with the Anti-Semitic Leagues; to France with the nationalist movements; and to Italy, where Revolutionary Syndicalists made anti-Jewish anticapitalism the basis of an alliance with the nationalists. Exemplified best in the Protocols of the Elders of Zion, the infamous document that "leaked" Jewish plans to conquer the world, the Jewish-conspiracy myth inverts reality and creates a perverse relationship to historical and judicial truth. Isolating the intellectual roots of this phenomenon and its contemporary resonances, Battini shows us why, so many decades after the Holocaust, Jewish people continue to be a powerful political target.

In this graphic novel, presented in English for the first time, the Italian "Crumb" portrays a lost generation of late 1970s/early 1980s teenagers coping with family problems, school, sex, and drugs. A true visionary, with a fluid line and an uncanny sense of color and composition, Paziienza's innovative graphic style served up stories that were iconoclastic, outrageous, humorous, and deeply personal, often based on himself and his microcosm of friends and collaborators. Paziienza was a revolutionary cartoonist who ushered an underground sensibility to Italian and European comics, breaking from the more staid tradition of genteel adult (and children's) graphic albums.
