The true story of one of the most devastating wildfires in Australian history and the search for the man who started it. On the scorching February day in 2009, a man lit two fires in the Australian state of Victoria, then sat on the roof of his house to watch the inferno. What came to be known as the Black Saturday bushfires killed 173 people and injured hundreds more, making them among the deadliest and most destructive wildfires in Australian history. As communities reeling from unspeakable loss demanded answers, detectives scrambled to piece together what really happened. They soon began to suspect the fires had been deliberately set by an arsonist. The Arsonist takes readers on the hunt for this man, and inside the puzzle of his mind. But this book is also the story of fire in the Anthropocene. The command of fire has defined and sustained us as a species, and now, as climate change normalizes devastating wildfires worldwide, we must contend with the forces of inequality, and desperate yearning for power, that can lead to such destruction. Written with Chloe Hooper's trademark lyric detail and nuance, *The Arsonist* is a reminder that in the age of fire, all of us are gatekeepers.

THE HILARIOUS AND HEARTWARMING SUNDAY TIMES BESTSELLER Ant and Dec hold a special place in the hearts of TV viewers everywhere. you've been in a double act with your best mate for thirty years, why not write a book about all your most memorable moments in three decades of showbusiness?' Ant: Less catchy than that one, isn't it? Dec: But no less true. And after three decades together, we're writing that book.

Covering everything from a pirate radio storyline in Byker Grove through to the biggest shows on telly, this is our story. Ant: Thirty years, eh? Amazing. Dec: Absolutely. Especially when you consider we are both still 27 years old. From their modest beginnings in Byker Grove through to their "unique" time as pop stars and an award-laden TV career, the last three decades have flown by in the blink of an eye. They've also featured an incredible cast of supporting characters, including their first scriptwriter (an unknown comedian called David Walliams), Saturday night fun and games with countless Hollywood A-listers, and celebrities they torture - sorry, work with - every year in the jungle. Told through the lens of every TV show they've made, as well as everything they've learnt along the way, this is the riotously funny journey of two ordinary lads from Newcastle who went on to achieve extraordinary things.

Written together with friend and journalist Boyd Hilton, this is a look at a year in the lives of Matt Lucas and David Walliams-the good, the bad, the mundane, and the monumental. The year covered includes a mammoth nine-month Spinal Tap-esque tour where "Little Britain" goes in search of Great Britain. This milestone book offers an unrivaled close-up of a classic British comedy act, as it happens, at the height of its powers. But it is also a journey into their pasts, reflecting on how they achieved their success. It covers their childhoods, family life, and early

comedy performances as they found their feet; their complex friendship and working relationship; and the increasingly insane world they now inhabit. Mixing memoir and travelogue to paint an engrossing portrait of fame and comic genius, "Inside Little Britain" is a candid look inside the celebrity bubble in all its glamour and awfulness.

THE SUNDAY TIMES BESTSELLER Straight Outta Crawley is the hilarious and irreverent autobiography from comedian Romesh Ranganathan. 'Very, very funny. I can't recommend it highly enough.' Jonathan Ross

At the age of 9, Romesh Ranganathan delivered his first ever stand-up set at a Pontin's holiday camp talent competition, smashing the other competitor, a young girl playing the kazoo. The gig went so well that Romesh retired his comic genius for twenty-two years, hiding behind the guise of a maths teacher, before finally revealing himself again (no, not like that) at the tender age of 31. In 2010, Ranganathan staged his epic comeback gig to an almost silent room, and has since gone on to earn his place as the most in-demand overweight vegan Sri Lankan comedian in Britain. Now, for the first time, he tells the full story of how he got here. From the delights of Sri Lankan hospitality to his struggles as a child, teacher and now parent, to his adolescent flirtation with a rap career and his attempts to make it in comedy, Straight Outta Crawley is Ranganathan's hilarious and irreverent autobiography. The hilarious, heart-warming and tear-jerking memoir from one of Britain's best-loved comedians and actors, Matt Lucas. Hello there. Welcome to my autobiography. Throughout this book I talk about my life and work, including Little Britain, Come Fly With Me, Bridesmaids, Les Miserables, Alice In Wonderland and, of course, Shooting Stars. The thing is, this is a bit different to most memoirs you may have read, because it comes in the form of an A-Z. For instance, B is for Baldy! - which is what people used to shout at me in the playground (not much fun), G is for Gay (because I'm an actual real life gay) and T is for the TARDIS (because I'm a companion in Doctor Who now). You get the sort of thing. Anyway I hope you buy it at least twice. Thank you.
