

## Donald Duck Paper Toy

Herman Melville's tale of obsession on the high seas gets a feathery makeover in this adaptation that stars Donald, Scrooge McDuck, and Huey, Dewey, and Louie! When his ship is destroyed and his lucky dime stolen by the monstrous white whale Moby Dick, Captain Quackhab sets sail on a voyage of revenge against the fearsome leviathan. Joined by Ishmael, his first mate Mr. Storkbuck, and the island triplets, Huqueg, Duqueg, and Luqueg, and his crew of ne'er-do-wells, Quackhab won't rest until he gets his prize. But whales aren't the only danger the seas have to offer. Our heroes must contend with giant squids, pirate crows, and mighty storms before even catching a sight of Moby Dick. And when they finally come face to face with the great white whale, will any of them make it back to land in one piece?

A boy imagines what it would be like if he had such things as duck feet, a whale spout, and an elephant's trunk, but eventually realizes that he is better off just being himself. Reissue.

The classic, critical and humorous study of cultural imperialism and children's literature; how the Disney fantasy world reproduces the "American Dream" fantasy world, and the disastrous effect of Disney comics and other "mass" cultural merchandise on the development of the so-called "Third" World. In 1973 this work was banned and burned in Chile, and

later the English edition was banned for more than a year by the US government. In comic book format with cartoon examples, introduction by David KUNZLE on the Disney world, a bibliography of left writings on cultural imperialism and the comics, and an appendix by John Shelton LAWRENCE on the book's US censorship and the legal-political issues involved in the right to criticize Disney.

of the gang's wacky adventures pops up, Mickey must use his wits and ingenuity to save the day.

This large-format book contains values for more than 24,000 toys in every category imaginable--action figures, cast-iron and paper lithographed toys, windups, Barbie dolls, model kits, diecast banks, games, playsets, character toys, and many more dating from the 19th century to the present day. Also included are coded dealer listings, plus information on clubs and newsletters and a bibliography of other books of interest.

With the help of his magic stick Louie retrieves Huey's magic table and Dewey's magic donkey and proves to Uncle Donald that there is such a thing as magic.

The Wonder of American Toys reflects not only the toys of perhaps the most formative era of American history, but what they meant to the children who played with them and to the society that produced them.

In this innovative study, Crystal Sanders explores how working-class black women, in collaboration with the federal government, created the Child Development Group of Mississippi (CDGM) in 1965, a Head Start program that not only gave poor black children access to early childhood education but also provided black women with greater opportunities for political activism during a crucial time in the unfolding of the civil rights movement. Women who had previously worked as domestics and sharecroppers secured jobs through CDGM as teachers and support staff and earned higher wages. The availability of jobs independent of the local white power structure afforded these women the freedom to vote in elections and petition officials without fear of reprisal. But CDGM's success antagonized segregationists at both the local and state levels who eventually defunded it. Tracing the stories of the more than 2,500 women who staffed Mississippi's CDGM preschool centers, Sanders's book
