E-Bay is arguably one of the most popular sites on the web today. Established in 1995, the fledgling e-commerce platform began as an auction site where one could find anything. Fast forward a couple decades and the once revolutionary experiment has transformed into a global power that dominates the web as the largest and most prolific auction site out there. As the site has grown, so too have their clients and rules. Gone are the days of ABC gum and celebrity locks of hair, instead, E-Bay has become a place for business both large and small to peddle their wares on a safe, secure and affordable platform. While there are still plenty of individual sellers out there, marketing has become more difficult and egging out a name, and a place, on the site has become troublesome for many. It is just almost too hard to compete with multi-million dollar corporations... at least without a little help. "E-Bay Pro - The Secrets of Successful Sellers" IS that helping hand you need to double your E-Bay success and create the fortune you already know can be found through a well-run E-Bay business. 10 steps are laid out and explained, steps that will galvanize your sales and increase your bank account day by day. Along with these tried and true steps, there are tips and tricks included that will help you stand out from the crowd. Everything from when to begin an

auction, how long to run it for, how to stay safe on the site, making newsletters and even contemplating unique URL's are covered - plus much more! Become an E-Bay Pro today and build a better future for yourself and your family tomorrow.

It's the undisputed king of Internet auction sites. It's a global bazaar offering a range of goods from Antiques to Zulu Daisies. Cars, clothing, collectibles: you name it, and it's likely that you can find on eBay. But along with the vast selection of goods available, buyers and sellers also encounter all the other elements that markets are known for: tricks and swindlers, overpriced goods, deceptive labeling, small print, recycled items marked as new, and the occasional rare priceless find or undiscovered treasure. Seasoned eBay traders know that to successfully buy and sell within this mega-shopping platform, you need to understand the system. Unfortunately, the secrets of the site are often tightly held by other buyers and sellers seeking a competitive edge. But what if you're a newcomer? Or an experienced trader who wants to make the jump to power buyer or seller? eBay: The Missing Manual gives you the inside information you'll need to become an eBay expert. Buyers will find the most effective ways to find you want and pay prices that are sure to bring a smile to your face. And you'll get authoritative advice on strategic bidding: how to watch for elusive items, time your bids to take the competition by surprise, and--above all--avoid paying more than you ought to. Sellers will get sure-fire tips from eBay veterans who have discovered ways to ramp up their own auctions and sell at the highest possible prices. From the smallest details, such as how to take and post the most effective photos of your goods, to pricing strategies, inventory management, and shipping methods, this user-friendly manual will help you make more money on eBay. Whether you're selling a single item or running fulltime business on the site, you'll find tips to help you do it more effectively. As in any community, problems and disputes arise, and you'll learn how other eBayers resolve such troubles or work around them. eBay: The Missing Manual has gems of wisdom for everyone from total novices to more experienced traders. If you're looking to improve your eBay auction experience, you'll savor the tips and trick revealed in this guided exploration.

PowerSellers who have made a fortune on eBay are moving their merchandise over to Amazon. After all, the benefits of selling on Amazon are legion—sellers have found that they can charge more for their merchandise, avoid upfront fees, and deal with less-demanding customers. The opportunities for selling are endless—Amazon now sells products in more than 40 categories and is the web's number one retailer with more than 81 million customers. As the authors of the popular book *eBay PowerSeller Secrets*, Debra and Brad Schepp are experts at making big money selling products on the web. Now, in *Amazon Top Seller Secrets*, they show readers why Amazon is the marketplace that will bring them more cash and more customers. Sellers will discover everything they need to:

- navigate the Amazon marketplace
- set the right price for merchandise
- drive more traffic to their product pages
- achieve consistently high feedback ratings
- become an Amazon Pro Merchant
- open more than one Amazon WebStore
- source the best products
- and more

With this priceless advice, readers can increase their profits and build their business without constraints and without all the hassles.
