For when your trust has been broken: discover how to set firm boundaries again, how to connect deeply without being hurt, and how to safely grow your most intimate relationships. Painful relationships violate our trust, causing us to close our hearts. But to experience the freedom and love God designed us for, we eventually have to take another risk. In this breakthrough book, bestselling author Dr. John Townsend takes you beyond the pain of the past to discover how to re-enter a life of intimate relationships. Whether you're trying to restore a current relationship or begin a new one, Townsend gives practical tools for establishing trust and finding the intimacy you long for. Beyond Boundaries will help you:

- Reinstate closeness appropriately with someone who broke your trust
- Discern when true change has occurred
- Reestablish appropriate connections in strained relationships
- Create a safe environment that helps you trust
- Restore former relationships to a healthy dynamic
- Learn to engage and be vulnerable in a new relationship as well

You can move past relational pain to trust again. Beyond Boundaries will show you how. Plus, dig even deeper into relational healing with the coordinating video study and study guide. Américas Award Winner “An achingly beautiful story.”—Kirkus (starred review) “Eloquent.”—Booklist (starred review) “Lovely and lyrical.”—School Library Journal This powerful and resonant Américas Award-winning novel tells the story of a young girl’s struggle to find her place in the world and to become a writer in a country where words are feared. Seamlessly interweaving both poetry and prose, Lynn Joseph’s acclaimed debut is a lush and lyrical journey into a landscape and culture of the Dominican Republic. The Color of My Words explores the pain and poetry of discovering what it means to be part of a family, what it takes to find your voice and the means for it to be heard, and how it feels to write it all down.

Heterostructured (HS) materials represent an emerging class of materials that are expected to become a major research field for the communities of materials, mechanics, and physics in the next couple of decades. One of the biggest advantages of HS materials is that they can be produced by large-scale industrial facilities and technologies and therefore can be commercialized without the scaling up and high-cost barriers that are often encountered by other advanced materials. This book collects recent papers on the progress in the field of HS materials, especially their fundamental physics. The papers are arranged in a sequence of chapters that will help new researchers entering the field to have a quick and comprehensive understanding of HS materials, including the fundamentals and recent progress in their processing, characterization, and properties.

Una excepcional crónica de la vida social, política, cultural y económica en México de 1982 a 1994. En este tercer volumen de la Tragicomedia mexicana, que comprende de 1982 a 1994, tenemos los años de la crisis, los "nuevos pobres", la globalización y las privatizaciones, la "renovación moral", los tecnos y los dinos, la renegociación de la deuda externa, la privatización de la banca, el fortalecimiento del narcotráfico, el terror

del sida, la explosión de San Juanico y el terremoto de 1985, la "caída" del sistema en 1988, la familia Salinas, los negocios del hermano incómodo, el dinero de Pronasol, los nuevos megamillonarios, los cambios en el campo, la relación con la Iglesia católica y el Tratado de Libre Comercio, el dedazo "premature", la rebelión zapatista, Marcos Superstar, la "candidatura alterna", el asesinato de Luis Donaldo Colosio, la muerte de Ruiz Massieu y otra, más devastadora aún, crisis económica. Qué bonito acabamos, igual que empezamos.
