A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an

ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.

My dream is about to become a reality: owning my own resort and spa. All I have to do is build it. That's where she comes in. The strongest woman I've ever met but also one of the most broken. She keeps her cards close to the vest, never revealing much about her past. Divorced, no kids, and with a new career, she's on her way to a new and better life. A life I want to become part of. Friendship blossoms into much more; the future looks bright for us. Only it doesn't seem to be in her ex's plans for her to move on. Not with me. Not with anyone. Secrets from her past threaten to break her further. She needs someone to protect her-to save her. She needs me. I need her. Our love is strong. I have to make her see that we need each other; my time to convince her is running out. Some things are too important to wait for.

When it comes to getting what he wants, Asher Barrington is a hammer who is known for crushing his opponents. From the moment Emily walks into his office and challenges him, winning takes on a whole new meaning. The only thing standing between Emily Harris and her goal to open a museum for the blind is an arrogant, sexy as hell billionaire, who thinks sleeping with her will not complicate the situation. He won't change. She won't back down. But together they sizzle.

on these sexy billionaires and the ladies who've been forbidden to love them. Book One: The Doctor's Claim Billionaire trauma surgeon... You'd think it would get me some time off to enjoy myself. Unfortunately, this holiday, I'm heading up to White Pines, Wisconsin to see my family. I end up on the goddamn bus, protecting a cute little thing from an asshole who's getting grabby. I don't take too kindly to people pawing at what's mine, and from the minute I lay eyes on pretty Chloe Becker, I have a feeling she's meant to be mine. Then I find out she's got a baby in her, and, other man's baby or no, something about a sweetly breeding girl just drives me wild. She's an innocent girl, whose idea of fun is burgers and star gazing... Maybe before the holiday season is over I can show her what kind of fun I like to get up to. Book Two: Destined Desires What can I say about Cade Lowell? I can say that he's arrogant, domineering, and is used to having things his own way. I would also have to say that he's hot as hell and that absolutely nothing has changed since we broke up in high school—he leaves me just as breathless and frustrated as he did back then, when he was the only one who had ever touched me. He was just a boy the last time I saw him, but when I return to White Pines to deal with my late grandmother's house, I realize that he's all man now! I feel electric when I'm around him, and I can tell right away he wants me too, but there's more to love than heat. Will he ever get past his arrogant ways to see that I want a say in things too? Book Three: Loved One minute you're having a great time living the playboy lifestyle, and the next an ex has a tragic accident and leaves you with a 10-month-old kid! My new daughter Emma is cute as a button, but I'm man enough to admit that I'm overwhelmed. Help appears in the form of the angel next door, Shannon Becker, and though she's confident in her maternal instincts, she seems to have no idea just how drop-dead gorgeous she really is. I never knew that my type
