On nationalistic ideals and development of Tanzania, written in honour of Julius K. Nyerere.

Bible Basics is a detailed study of basic Biblical doctrines and teachings. It's a self study guide, with questions at the end of each of the 11 sections. It's designed to go through the basic message of the Bible from start to finish. Bible Basics is a positive presentation of the Gospel, but there are digressions to discuss difficult Bible passages, and to demonstrate that many confusing doctrines such as the Trinity, immortal soul and infant sprinkling are not Biblical nor strictly Christian, but instead merely the creation of mainstream church theologians. The book presents Biblical Christianity. Duncan Heaster is a Christadelphian and the book is also a summary of the doctrines of the Christadelphian faith. The Christadelphian church uses the book as a standard reference. In recent years there has been a call, especially from church leaders in the Global South, for a study dealing with the issues that daily affect the lives and ministries of their ever-growing number of missionaries, pastors, evangelists, and lay leaders-issues concerning the role of spiritual power in ministry. In this book missionary-author Denzil R. Miller addresses three critical elements in the implementation and exercise of power ministry: PART I: Understanding Power Ministry PART II: Preparation for Power Ministry PART III: The "How to" of Power Ministry

The intense interest aroused in the public by what was known at the time as "The Styles Case" has now somewhat subsided. Nevertheless, in view of the world-wide notoriety which attended it, I have been asked, both by my friend Poirot and the family themselves, to write an account of the whole story. This, we trust, will effectually silence the sensational rumours which still persist. I will therefore briefly set down the circumstances which led to my being connected with the affair.

In this addition to the highly acclaimed Encountering Mission series, two leading missionary scholars offer an up-to-date discussion of missionary strategy that is designed for a global audience. The authors focus on the biblical, missiological, historical, cultural, and practical issues that inform and guide the development of an effective missions strategy. The book includes all the features that have made other series volumes useful classroom tools, such as figures, sidebars, and case studies. What are the secrets of successful teams? Why do some teams achieve remarkable success while others fail or are consigned to mediocrity? To find the answers, Carl E. Larson and Frank M. J. LaFasto conducted a three-year study of teams and team achievement. Interviewing a wide range of teams, including the space shuttle Challenger investigation team, executive management teams and a championship football team, Larson and LaFasto discovered a surprising consistency in the characteristics of effective teams. In *Teamwork*, they explore the eight properties of successful teams: a clear, elevating goal; a results-driven structure; competent team members; unified commitment; collaborative climate; standards of excellence; external support and recognition; and principled leadership. A final chapter examines the priority of the steps that lead to the building of a high performance team. The authors strive to make the concepts concrete, coupling solid theory with straightforward, practical advice on how to apply it and with lively, fascinating anecdotes. The volume will appeal to practitioners, scholars, and advanced students in the areas of organization studies and management, as well as interpersonal communication.

Thumb through any newspaper, listen to any newscast, and the terms "Islamic Al Jihad" or "Shi'ite Muslims" will inevitably be linked with bombings, hijackings, and other terrorist acts. What do you know about this religion that boasts "the greatest joy is to kill and be killed for Allah"? In *Islam Revealed*, Dr. Anis Shorosh explains the driving force behind the fanatical, as well as the moderate and conservative sects of Islam. Drawing on his experience as a Palestinian-born Arab Christian and years of research and study, Dr. Shorosh takes a hard look at an ever-growing religion that currently numbers 900 million members. Through comparisons of Islam's Quran and the Hebrew-Christian Bible, Dr. Shorosh outlines the contradictions and inaccuracies that form the basis for the Muslims' beliefs, and contrasts the turbulent life of Muhammad with the life of Jesus. In light of recent terrorist activities in America and the continuing tensions in the

Middle East, Islam Revealed is a timely reference to the belief system of one in five people on earth.

"Tafuta Ukweli" is the Ki-Swahili translation of the Searching for Truth study guide. It is a great study resource for anyone seeking to find answers about God, salvation, His Church, and man's response to God. The text of the book is engaging and includes full-color images, illustrations, and teaching charts. The content is suitable for personal studies or for use in group settings such as Bible classes. It can be used either on its own or as an accompaniment to the Searching for Truth DVD, since text follows the chapter structure and is nearly a transcript of the DVD. The book contains workbook-style questions for each section and chapter. Some of the questions, such as the Decision Points and Talking Points, are intended for deeper consideration or conversation. Following each Chapter Review is a Digging Deeper section, which covers other verses on the subject not used in the text. Additionally, two new teaching charts have been added. These full-page, full-color charts cover the popular issues: "Where do we go when we die?" and "Biblical Ages."

Did you know that . . . FROGS drink through their skin? Instead of swallowing water with their mouths, frogs absorb moisture through their skin. Frogs can also take in oxygen through their skin, which helps them breathe better in the water. FROGS eat with their eyes closed? The eyes help the frog swallow by lowering into its head and pushing the food down its throat. FROGS can jump 20 times their own length? That's like a human jumping past four school buses in one leap! FROGS have sticky tongues? Frogs don't use their hands to catch food . . . they just stick out their tongues! Flies, mosquitoes, and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner. SOME FROGS wear camouflage? Stripes and spots help frogs blend into their natural surroundings. Some frogs can even change color depending on their location or the weather. FROGS recycle? Frogs shed their skin about once a week. Then they eat the old skin to reuse the nutrients stored inside. FROGS can live to be 40 years old? Most frogs live from 4 to 15 years. A FROG wasn't always a frog? Every frog starts as a tiny egg that hatches into a tadpole. A tadpole has a round head and a tail and lives in the water like a fish. The tadpole eats a lot as its body changes and grows new parts. After three to four months, the tadpole has four legs and no tail and can live on land—it has become a frog! AWESOME! Did you know that you can become a new creature, too? You may not have a tail and live in the water, but God can give you a new life. Do you sometimes do things that make you feel bad inside? Maybe you were mean to someone at school or told a lie to your parents. God calls those bad things sin. Everyone is born knowing how to sin, and everyone who sins must be punished. But God, who loves us, doesn't want us to sin. He wants us to be like Him—loving, kind, and good. Just as a tadpole changes into a frog, God can help you become more like Him. God sent His only Son, Jesus, to earth to be a human, just like us, except Jesus never sinned. Even so, He chose to die so that He could pay the death penalty for our sins. Three days after He died, God raised Him back to life again! Do you want to have a clean, new life? Then just believe in what Jesus did for you. Tell God that you are sorry for your sins and thank Him for sending Jesus to save you. The Bible says, "If anyone is in Christ, he is a new creation; the old has gone, the new has come!" (2 Corinthians 5:17). God will change you on the inside to make you a totally new creature—just like a tadpole changes into a frog. To do this, you can pray something like this: Dear God, I am sorry for the bad things I do. Thank You for sending Jesus to pay the penalty for my sins. Please change me on the inside and help keep me from sin so I can live a clean, new life for You. Amen. If you have just prayed to ask God to change you, write your name and address on the lines below and send it to us. We will send you a free booklet to help you grow in your new life with Christ.

Hans Bayer places Mark's Gospel in its biblical context and explores the dynamic relationship between Jesus and his disciples a process in which Jesus radically transforms them from self-dependent to God-dependent beginning with their hearts.

Still Side by Side is an introduction to biblical equality. Each chapter is introduced with a question and brief answer, followed by a more in depth explanation. It is a valuable resource for individuals or groups who are seeking answers to the questions surrounding gender and the church.

The existence Moses as well as the Exodus are disputed despite they form the basis of the Passover which meant the Promised Land for Jews and later the Paradise for Christians. For most Egyptologists there is absolutely no evidence of Moses and the Exodus in Egyptian documents. However, the last king of the 15th dynasty named Apopi (1613-1573) met Seqenenre Taa, the last pharaoh of the 17th dynasty, who died in May 1533 BCE in dramatic and unclear circumstances (Ps 136:15) as well as his eldest son and crown prince: Ahmose Sapair, who died shortly before him (Ex 12:29). Prince Kamose, Seqenenre Taa's brother, assured interim of authority for 3 years and threatened attack Apopi, new prince of Retenu (Palestine) who had taken the name Moses, according to Manetho. In the stele of the Tempest, Kamose also blamed Apopi for all the disasters that come to fall upon Egypt, which caused many deaths."

What's special about Oneness Pentecostals? In this penetrating analysis of Oneness theology and practice, Gregory Boyd reveals the experience of four years of personal involvement in a

Oneness church. Although Oneness Pentecostals' belief in Christ's deity establishes some common ground with other Christians, their aggressive denial of the Trinity has nonetheless fostered their indisputably sub-Christian ideas about God's character, about salvation, and about Christian living.

A simple yet thorough study of the six "principles of the doctrine of Christ" as set forth in Hebrews chapter 6. This is the Swahili translation of Tim Sullivan's original book.

The message of Power Evangelism has been embraced around the world, and the book that started it all has become a classic, with more than one million sold. In 2006, Christianity Today named it one of the 50 most significant Christian books to be published in the last 50 years. This revised and updated edition describes the releasing of God's power through signs and wonders to refresh, renew, heal and equip His people. Drawing from the teaching of the New Testament and with illustrations from his own experience, Vineyard leader John Wimber persuades the reader to "yield control of our lives to the Holy Spirit." Though Wimber died in 1997, his teaching continues to spread throughout the Vineyard movement, through the broader renewal movement and to Christians across the globe, even those who do not consider themselves Charismatic. Co-author Kevin Springer—also a Vineyard pastor—has found that in the years since its first publication, Power Evangelism has only grown, and the results continue to be explosive. This edition includes a chapter-by-chapter study guide and reflects changes Springer and other power evangelism practitioners have made in presentation—not in content—for readers in the new millennium.

A popular minister recounts his zealous early life pursuit of the Christian life and his experiences of emptiness and spiritual detachment, tracing his quest to connect with a God he perceived as distant.

John Piper poignantly shares what God wants us to know about his sovereignty and Christ's supremacy when we encounter sin or tragedy.
